NOTICES: Section 4503.06(C) Ohio Revised Code

(1) NOTICE: If the taxes are not paid within sixty days after the county auditor delivers the delinquent manufactured home tax list to the county treasurer, you and your home may be subject to collection proceedings for tax delinquency.

The following notice applies only to manufactured homes taxed like real estate. It does not concern manufactured homes taxed by depreciation method.

(2) NOTICE: If the taxes charged against this home have been reduced by the Owner Occupancy Credit for residences occupied by the owner but the home is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31st of the year for which the taxes are due. Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is punishable by imprisonment up to 30 days, a fine up to $250, or both, and in the owner having to repay the amount by which the taxes were erroneously or illegally reduced, plus any interest that may apply. If the taxes charged against this home have not been reduced by the Owner Occupancy Credit and the home is a residence occupied by the owner, the home may qualify for the tax reduction. To obtain an application for the tax reduction or further information, the owner may contact the county auditor's office at 373 South High Street, 21st Floor, Columbus, Ohio 43215, or by phone at 614-525-4663.

Interest is charged against delinquent real estate taxes twice each year as follows:
1. On the first day of the month following the close of the 2nd half collection, interest is charged against all prior year delinquent taxes. Current taxes billed during the present calendar year are excluded from this interest calculation.
2. On December 1st of each year, interest is charged against all delinquent taxes unpaid as of December 1st.

Penalty: A late payment penalty of 5% is assessed against the current taxes when full payment is made within 10 days after the tax collection due date, 10% thereafter. (A private meter postmark on the envelope is not a valid postmark for establishing the payment date.)
